Work experience

Fullstack Developer

FXMAG

Jan 2024 – Aug 2024
Kraków – remote

In my position, I was responsible for creating innovative features such as **currency calculators** and **stock market quotations**. My duties included **retrieving data from external sources**, **storing it in our databases**, and implementing the **full frontend for both desktop and mobile versions**.

Frontend Developer

NOKIA

Oct 2022 – Dec 2023
Wrocław – remote

I was responsible for developing new features for an internal tool supporting managers. My duties included **creating advanced reports** on test automation, presented in the form of **interactive tables** with **filtering capabilities** for large data sets and **generating charts**.

Python Developer Intern

NOKIA

Jul 2022 – Sep 2022
Wrocław

I was responsible for creating **efficient backend views** for generating reports on test automation. My tasks included **extracting data from databases** and providing **optimal views** for analyzing and **presenting detailed reports**.
